**Seller information:**

**Sellers can bring their books on Friday, June 19 from 3-5 pm.** There will be boy scouts there to help you set up so that the items go on the proper tables.

**The seller's name and price need to be on a price tag that doesn't easily come off.** Blue painter's tape marked with a sharpie works really well. Your last name (and first name or initial) and price should be on the label along with the price. Don't use post-its because they come off too easily. Address labels are nice but they stick too well and will tear if the buyer tries to remove them. Try the blue painter's tape.

**Prices should go in the upper right hand corner of the book.**

**What kind of items can be sold?** You can bring a wide variety of items to the sale – curriculum, books, games, puzzles, math manipulatives, videos, building sets. Please don't bring clothes, household and kitchen items, furniture

**You set your own prices.** It is up to you to label and price your item. Prices among the various sellers vary greatly, from full price to garage sale discount prices. It is up to the seller to determine the prices. Just keep in mind that there will be a 20% consignment fee that will go towards sending the scouts to summer camp.

**After the sale,** you may collect your books after 1 pm. At the time, the troop will tally up the amount sold for each seller and you may collect your money. Any books that are unclaimed will be donated to Troop 1 to donate to various organizations.
